Dear Sir/Madam

Vivek Jonnalagadda

Intra Mural Football Team Manager & Player – Newcastle University

Vivek is promising young player, whose passion for football runs visibly through him.

Over the past three years at university, his commitment to the game and dedication to learn has been immense. He has demonstrated leadership, captaining three teams even though he is one of the younger players on the side.

Vivek has a great rapport with all the students and is a very popular student. He has always shown a willingness to take on extra duties and responsibilities to broaden his experience and knowledge.

Vivek is a highly motivated and enthusiastic individual. He is reliable, honest, hard-working and from my experience of working with Vivek I would have no hesitation in recommending him for a trial. Having never had the opportunity to train with an actual club side, given the opportunity to train professionally, I believe he will come good.

Please contact me if you require any further information.

Yours sincerely,
